# Small dump bag -12

22-00301-09-000 Grey  
22-00301-56-000 Multicam

W=16 x H=30 x D=9 cm.  
Weight: 80 g.

## Features

The perfect bag to rapidly place your empty magazines in during a fire fight.

Zipped, so it can be used as a small backpack

It's also good to store gloves, ear defenders etc. when not in use.

Use it to place evidence or other important things during a raid.

Basically the bag is designed to carry things temporarily that you don't want to carry in your hands.

Carried rolled up in the bottom of the equipment vest.

Pull the square ring when the bag is needed.

Stores 4-5 x 5,56 magazines, ear defenders, gloves etc.

The zipped flap can be folded down into the bag and secured there with a Velcro piece,

The bag is zipped so it securely can store different pieces of equipment.

The bag has attachment points on the back so it can be attached on the back of a vest or similar and used as a small backpack.

When rolled up, the dump bag takes little space.

# Dump bag -04
